Arrowwood

The Vulcan branch of the Civil Defence organization has authorized a series of lectures on Home Nursing to be held in Arrowwood, commencing the first week in April. Anyone interested in joining this class, should contact Mrs. Leonard Salkeld, R.N., R607 as soon as possible.

Mrs. A. Ingraham is a patient in the Vulcan hospital. We wish her a speedy recovery.

Congratulations to Mr. and Mrs. Verlyn Culp on the birth of a son, March 13, at the General Hospital in Calgary.

The Arrowwood Booster Club held their regular meeting at the U.F.A. hall March 12 with a small membership in attendance. They decided to take the play "Bashful Mr. Bobbs" to other towns. Sixty percent of the money raised by doing so would go towards a community hall here. It was voted to donate \$25 to the U.F.A. to help in alterations made on the U.F.A. hall; and to donate \$100 to the skating rink. The executive will meet with the Athletic Association to plan ways to raise 10. Games were played and a deli-cious lunch was served by Miss Cawley, Mrs. Beagle, Mrs. Deeter and Mrs. Setters. The next meeting will be at the home of Mrs. F. Burger.

Masters Bert and Bob Cameron entertained 15 other youngsters at their sixth birthday party, March 10. Games were played and a delicious lunch was served.

The 1st Arrowwood Brownie Pack held an enrollment at their regular meeting on Tuesday and invited their mothers to attend. Those enrolled were: Mary E. Bodell, Hughina McInenly, Nadine Arney, Dinah Jacobson, Maureen House, Lois Zahursky. Six other Brownies received services stars for one year or service in the Brownie pack.

Miss Dorina Jean Culp formerly of Arrowwood, was married in Mississippi to Bert Johnson who is in the services. They expect to be in Spokane to live and will visit in Alberta this summer.

Mr. and Mrs. Tom Beckner and family of Milo were Sunday visitors at the home of Mr. and Mrs. B. Beckner.

Mr. and Mrs. Ralph Oberholtzer were Calgary visitors on Sunday. Due to such favorable weather conditions, a large crowd attended the auction sale of Mr. Ed Johnson on March 14. The Arrowwood Booster Club served lunch and approximately \$98 was made.

The play "Bashful Mr. Bobbs" was presented in the Arrowwood School on Friday and Saturday, with a good crowd in attendance both nights. The All-Star cast was as follows: Katherine Henderson, M. Cameron; Frederick Henderson, C. Strum; Bashful Bobbs, J. Norton; Jean Graham, J. Amy; Celeste Vanderpool, A. Shane; Marston Bobbs, R. Oberholtzer; Obadiah Stump, L. Petrew; Frances Whitaker, M. Beckner; Rosalie Otis, E. House; Julie, I. Oberholtzer; Mrs. Wiggins, G. Curtis.

Mr. and Mrs. Cecil Culp and Patti arrived in Arrowwood from Wenatchee, Wash. to visit friends and relatives for a few days.

Ivor Oberholtzer has arrived back from the east with a new Meteor. He went to Windsor in a transport truck and visited with relatives in Illinois and Iowa on the way back.

Don't forget the election for our County representative on March 21 in the U.F.A. hall.

Mrs. E. Cameron entertained the cast of "Bashful Mr. Bobbs" accompanied by their husbands and wives or escorts, at her home on March 14.

Mr. Barry has arrived from Saskatoon and he is now manager of the Bank of Nova Scotia here.

Mr. and Mrs. L. Salkeld, Mr. and Mrs. P. Proctor and Mr. and Mrs. George Leith were among those present at the wedding in Knox United Church recently when Ronald Robinson with the P.F.R.A. here and Miss Patricia Calahoe of Calgary were united in marriage. The newly weds will reside in this district after their honeymoon trip.

The annual meeting of the United Church was held March 12. Annual reports were heard and a new church board elected. They are: M. Wallace, Mrs. L. Williams, Mr. T. Board, Mr. W. Cochrane, Mr. W. Blackie. Dedication of the new church will take place April 19 at 3:00 p.m.

The play "Bashful Mr. Bobbs" will be presented on the following nights: March 19, Milo; March 20, Vulcan; March 23, Meadow Brook March 25, Cluny.

Mr. and Mrs. J. Deeter and Mrs. Thurns Arney were visitors to Irricana on Wednesday, where

New Road Standards Set

County Public Works Department Reorganized

The Municipal Committee held meetings on Tuesday and Wednesday of last week and spent considerable time laying down the policy for the organization of the Public Works Department of the County. It was decided that the Department be divided into two branches, (A) Construction and Maintenance and (B) Mechanical Branch, with each branch in charge of the Supervisor, J. A. Lang, recently engaged engineer for the County, will be in charge of Construction and Maintenance and Chester Rea in charge of the Mechanical Branch. The Construction and Maintenance Branch will carry out the program of road improvement as laid down by the Committee, have charge of all maintenance on the understanding that any new or extra-ordinary expenditure be approved by the Committee. It was decided to fit up a greasing and servicing truck to grease and service the machine in the field throughout the operating season.

A motion was passed to purchase a new one-ton truck for use with the portable welding outfit and a half-ton truck for the maintenance foreman. The Committee also decided to install time clocks on all of the operating machines. Regulations were also laid down as to the operation of the repair shop which is to be under the direction of Mr. Rea. The Committee also adopted a standard to which all future road grading should be maintained, and that is a 24 foot road with 600 foot vision, 10% grades and 8% curves to be maintained where possible.

It was also suggested that landowners be requested to refrain from planting trees closer than 150 feet from the road allowance. It was also decided the fence-moving policy be on an individual basis and that the Supervisor be authorized to make individual contracts with land owners which would be subject to the approval of the Committee.

A policy to pay two and one-half times the assessed value for land taken for roadway along existing roadways was established and that borrow pits would be restored so that the land might be cultivated in the future.

A policy of allowing one crossing into a quarter-section, which required a cleft, was established and that other dry crossings might be established on request.

The policy for snow-plowing was set to allow emergent calls to be looked after and main roads and school van roads to receive first consideration.

The Committee also discussed the matter of erecting road signs on the principal roads of the County and decided that road signs should be erected where necessary and that the complete system be gradually worked to. Guard rails would also be erected at the discretion of the Committee and as recommended by the Supervisor.

It was also decided that the Public Works Department would not work on Saturday afternoon unless specially ordered to do so.

County Council Meeting
At the County Council meeting Mrs. Deeter and Mrs. Arney attended the Women's Work meeting of the Church of the Brethren. Mrs. Arney gave her report on the Women's Work, after acting as a delegate to the regional conference of the Church of the Brethren in Idaho.

Mr. and Mrs. Morley Wallace, accompanied by Mr. and Mrs. Doug Grant motored to Edmonton on Friday to attend the play "Death of a Salesman" put on by the Studio Theatre Group.

George Roberts, with the A. P. Grain Co. in Crossfield, spent the weekend visiting with his parents, Mr. and Mrs. Jack Roberts.

Mr. and Mrs. Ronny Beagle spent a few days in Calgary last week.

We were sorry to hear of the death in Victoria of William Hill, an old timer of the Buffalo Hills district. He was engaged in large scale cattle ranching in Alberta and made his home in Victoria for the past 10 years. We extend our deepest sympathy to the family.

The history of gold mining in Canada dates from 1654 when Louis XIV of France granted a concession to Nicholas Denys to mine gold in Nova Scotia.

Vote Donation To Swimming Pool

The regular meeting of the Thigh Hill W.I. was held at the home of Mrs. Olga Patriquin, on March 5, with 16 members and two visitors present. Roll call was answered with Irish Jokes.

Mrs. A. R. Mainland was elected to attend the W. I. Conference in Lethbridge, as delegate from Thigh Hill.

A donation of \$50 was voted to the Memorial Swimming Pool in Vulcan.

The tea raffle was won by Mrs. Nan Degenstein and a birthday cake was cut in honor of the birthday of Mrs. Wilma Marshall.

Mrs. Ralph Clark was welcomed as a new member.

The next meeting will be held at the home of Mrs. R. Lundgren on April 2.

A delicious lunch was served by the hostesses.

Shower Honors Recent Bride

A community bridal shower honoring Miss Agnes Engen, a bride-elect of the week, was held at the home of Mrs. Mike Orchard Wednesday afternoon last.

Some 25 friends and neighbors were present to wish the guest of honor much happiness in her marriage and to shower her with gifts for her new home.

A pleasant social hour was enjoyed playing bingo and other games, and making up a recipe book of favorite recipes of the guests.

Little Lynne Drummond and little Lila Jean McLeod drew in a gaily decorated baby's cradle mounted on wheels, and piled high with colorfully wrapped parcels. Mrs. Orchard on behalf of those assembled presented the bride-to-be with the contents of the cradle and expressed the best wishes of all.

Assisting Agnes in opening the many lovely and useful gifts was Miss Mae Voy.

A dainty lunch was served by the ladies of the community.

Royal Purple Has Very Successful Social Evening

An enjoyable social event took place on Friday evening, March 13 in the L.O.O.F. hall, when the ladies of the Royal Purple Lodge, auxiliary to the B.P.O. Elks, had as their guests the members of the Vulcan Elks Lodge, their wives and friends.

The occasion was the second annual birthday celebration of the organization of the Royal Purple Lodge in Vulcan. A large crowd of 200 or more enjoyed the dancing and short program.

On behalf of the Elks Lodge, a corsage was presented to Honored Royal Lady, Laura Houlton, by Ronnie Marshall, Exalted Ruler of the Elks, who also observed the impressive 11 o'clock ceremony of the Elks Lodge.

Dr. Tompkins was then called on to demonstrate his skill as a magician which he did with some very clever tricks, proving to the delight of all present, that the hand is really quicker than the eye.

Raymond Rittland, playing his own accompaniment on the guitar, sang several songs in Swedish dialect, which were much enjoyed.

At midnight a delicious lunch was served by the ladies, after which Honored Royal Lady Laura Houlton expressed her pleasure at so many being present, and again thanked the members of the Elks Lodge for the lovely corsage which she received.

Expressions of appreciation and thanks for a most enjoyable evening were given by Ronnie Marshall on behalf of the Elks by Ole Doane on behalf of the other invited guests.

The music for the dancing was supplied by Mr. and Mrs. Rittland of Champion and Raymond Rittland of Vulcan.

Five little misses, all 1952 polio cases, enjoy the therapeutic bath at Alberta's Red Cross Crippled Children's hospital. The children are treated daily in the big bath as the warm water enables them to move paralyzed muscles more easily. The Alberta Red Cross Crippled Children's hospital treated 317 children, 149 of them polio-myelitis cases, during 1952. Of the \$459,900 in Alberta's 1953 campaign, \$123,965 has been budgeted to this major Alberta Red Cross project. Children from all over the province, whose parents cannot afford the prolonged medical treatment that orthopedic cases demand, are admitted. Schooling through Grade XII and a well-guided social program work with the medical treatment to give these children a well-rounded life.

Low Down Payments

Two Sizes of Homes in Proposed Housing Scheme

About thirty interested persons attended a meeting in the Legion Hall Tuesday afternoon, when representatives of Paramount Housing of Lethbridge were present to answer questions regarding the proposed housing plan.

Plans for two types of homes were presented — a two-bedroom house to cost \$7,000 with a down payment of \$1,400, and a three-bedroom house which will cost approximately \$8,200 with a probable down payment of \$1,650. In each case the balance could be amortized with monthly payments spread over any period up to 25 years.

The company would also construct custom-built houses to the customer's own plan, it was stated, although such houses would not come under the CMHC plan.

Several applications were received at the meeting and the company is expecting a minimum of 20 homes to be built under the CMHC plan. It is likely that a new block of 50 ft. lots on the golf course would be opened up to accommodate the housing plan.

Further information can be obtained from J. M. Jamison or J. Lundy Findlay.

Help To Library Is Discussed

The official visit of Mrs. Bert Maisey, the retiring constituency convener, and a White Elephant sale featured the March meeting of the Reid Hill W.I. held at the home of Mrs. Lorne Healy, Tuesday, March 17, with 11 members and one visitor present.

Roll call was answered with "Something I Can Do For My Neighbor."

The correspondence was light, but one letter, from the Good Deeds W.I. came in for much discussion. This letter had to do with the Good Deeds branch asking that the district branches either assist with the maintenance and operation of the Vulcan library or support an effort to secure financial aid from other sources. The Good Deeds branch felt the handling of the library project had become too great a burden for the one branch. It was decided at the Reid Hill meeting to donate \$5.00 and to appoint two representatives, namely Mrs. Frieda McRoberts and Mrs. Percy Myers to meet with the other branches to determine what steps to take to secure provincial, County and Town assistance to keep the Library open and to replenish the books from time to time.

The very pleasant address by Mrs. Maisey was as usual much enjoyed by all. Mrs. Maisey expressed the pleasure her four-year term as convener had given her and thanked all for their generous co-operation.

Mrs. F. J. Mensinger was appointed delegate from the branch to attend the District conference at Lethbridge, March 26-27.

A small birthday remembrance was presented to Mrs. Elizabeth MacMillan by Mrs. Beryl Bowie, on behalf of the branch.

The tea draw was won by Mrs. McKay.

The sum of \$13.05 was realized from the White Elephant sale which also provided much amusement and fun. Mrs. Mensinger was a most capable and jolly auctioneer, and this feature proved as popular as it has in the past.

Mrs. Mensinger will entertain the April meeting, when roll call will be "Easter Bible Verses", and a paper on Agriculture will be given by Mrs. McRoberts. Members are also asked to bring good used clothing, to the April meeting or to turn it in to Mrs. Peter McIntyre, for the overseas family branch "adopted" a number of years ago.

A most delicious lunch was served by the hostesses.

THE WEATHER

About four inches of heavy wet snow fell over a large part of the district on Tuesday, although it did not extend more than a few miles west. Temperatures on Wednesday were in the 40's.

The finest grades of paper are made from rag pulps—rags made from vegetable fibre are washed, bleached and then broken down into pulp.

Minimum Salary Up \$150

County and Teachers Agree on Salary Schedule

H. E. Kumlin and H. F. Ulmer, representing the County School Teachers interviewed the County School Committee at its meeting on Monday with respect to a new salary schedule and this matter was settled at a special meeting of the Committee held on Monday of this week. The new salary schedule provides for a minimum salary of \$2,000 with annual increments at the rate of 4 years at \$150 per year and 4 years at \$100 per year. Extra allowances are made for University Degrees and University Credits. Under the new salary schedule, a teacher with eight years experience and a University Degree will receive the sum of \$3,900.00 per year. The previous maximum for a teacher of this class was \$3,750.00 per year. The new salary schedule will increase the amount of teachers' salaries by the sum of approximately \$8,500.00.

Old Carmangay Schools

A motion was passed to approve the sale of the old Black Spring Ridge School at Carmangay to the Cresset Lodge No. 136, A.F. & A.M. at Barons for the sum of \$1,200.00 the sale to be subject to the approval of the Department of Education.

School Committee members also discussed ways and means of making use of the old Carmangay brick school and arrived at no decision as to its future use. It was noted that the school had been closed up with the electric light and water services disconnected.

Use of Auditoriums

Committee Members also discussed the policy to be laid down in respect to allowing use of the auditoriums in the new schools. The following policy was arrived at:

1. The auditorium may be used by Home and School Associations for their meetings and activities.
2. The school may be used for the County's Agricultural Service Board activities, as well as Civil Defence Meetings and County Public Meetings.
3. Any other applications for use of the school or auditorium must be by special permission of the Educational Committee which will decide each application on its merits, and set the rental fee accordingly.

Ask For Tenders

The School Committee appointed a special committee to review plans for the new Vulcan School and make a recommendation to the County Council meeting held on Friday of the same week. Plans were adopted and a motion was passed to authorize the advertising for tenders which are to be forwarded to the office by 5:00 o'clock on April 16, and opened the following day, April 17.

See Demonstration Of Ceramics

Mrs. Dal Campbell entertained ten members and two visitors at the March meeting of Good Deeds W.I. A birthday card was received from Mrs. Al Kennedy, the first president of Good Deeds in honor of our 30th anniversary on March 8.

A report on the Vulcan Public Library showed that a number of generous donations had been received from individuals and organizations. Five members volunteered to carry out the usual spring canvass in our district for the Cancer Society.

Roll call was answered with Irish jokes.

Mrs. Clay Snow presented an enjoyable and instructive program on Ceramics and other hobbycrafts for the remainder of the afternoon. First was a demonstration of the various steps in making figurines, from casting molds of liquid rubber to the finished product. The best material to use and hints on how to make professional-looking models were explained.

Examples of other crafts displayed by Mrs. Snow consisted of costume jewelry sets of nylon flowers, earrings of liquid plastic, coppercraft pictures, rag dolls, and Model-Light Clay figures which was made permanent by baking. Mrs. Snow dealt briefly with other hobbies, displaying instruction books and catalogs on a number of these.

The afternoon closed with the hostess serving a delicious lunch, assisted by Mrs. E. E. Andrews and Mrs. P. Clark.

Red Cross Drive Over Half-way

The latest report on the progress of the Canadian Red Cross Society campaign for funds in Vulcan and district, shows a total of \$1,362.82 collected up to March 16. Quota for this area is \$2,200.00.

Pioneer Rancher Dies At Victoria

William Hill, an old timer of the Buffalo Hills district, died Wednesday in Victoria at the age of 94 years.

He was born in 1859 in Broombridge, Northern Ireland, coming to western South Dakota in 1883. He engaged in cattle ranching until 1898 when, looking for better climate, he came to Calgary, with his family. The following summer he moved to Moosomin, Sask., where for a number of years he purchased steers during the winter months and grazed them along the Mouse River in North Dakota, in the summer. In 1904 he returned to Alberta and settled in the Buffalo Hills, south of Gleichen. He continued his ranching activities on a large scale until retiring and moving to Long Beach, Calif., where he lived for a number of years. For the past ten years he has made his home in Victoria. His wife predeceased him in 1947.

He is survived by a daughter, Mrs. D. R. M. Shouldice in Calgary and by three sons, Frank in Long Beach, William in Vulcan, and Robert at Arrowwood; 12 grandchildren and nine great-grandchildren.

Burial was made in the Royal Oak Cemetery, Victoria, on Monday.

Miss Agnes Engen Weds L. Morseth

A quiet wedding of interest in the Vulcan-Milo district was solemnized Friday afternoon, at the United Church manse, when Rev. J. E. Clarke united in marriage Agnes Lucille, eldest daughter of Mr. and Mrs. A. L. Engen, Vulcan, and Leonard Morseth, son of Mrs. J. P. Morseth, Milo.

The bride wore an afternoon gown of dusky rose, with navy accessories, and carried a white Bible, mounted with white satin streamers and a blue orchid.

Mr. and Mrs. Bob Dietz of Milo, brother-in-law and sister of the bride, accompanied them. Mrs. Dietz was attired in a navy ensemble, with which she wore pink accessories and a pink corsage.

Following the ceremony a reception for the immediate members of both families was held at the Engen home. Mothers of the bride and groom received with them. Mrs. Engen chose for her daughter's wedding a blue nylon ensemble and wore a corsage of red roses. The mother of the groom chose a navy blue suit, and her corsage was of pink roses.

The bride's table was centered by a three-tiered wedding cake, and bouquets of spring flowers were used to complete the decorations. The toast to the bride was proposed by Mr. Les Robinson.

Later the nappy couple left for a honeymoon at the coast, the bride changing to a suit of salmon pink, with navy accessories, for traveling.

Mr. and Mrs. Morseth will make their home in the Milo district.

C.W.L. Meets

Mrs. M. Bakken was hostess for the March meeting of the C.W.L., when 17 members were present.

Plans were completed for a bingo party to be held Friday, March 26 in the parish hall.

It was decided to send a bundle of clothing to the Creeche Orphanage in Calgary. Donations are to be left at the home of Mrs. Bakken.

After a pleasant social period a dainty lunch was served by the hostess assisted by Mrs. P. Katona.

The tea raffle was won by Mrs. Bakken. The next meeting will be held at the home of Mrs. Dick Anderson, April 9.

KITCHEN CABINETS
STORE FIXTURES

Letters to the Editor

Editor, Vulcan Advocate.

Dear Sir: We heartily agree with your editorial advocating sale of vacant lots prior to and supplementing sale of golf course lots.

Human nature being what it is, those who hold personal profit above community betterment will probably hold out for the highest price. We expect no sudden reform in their hearts. Those who hold out too long, will find, (perhaps) a speedy southward march of Vulcan dwellings towards Kirkcaldy. Perhaps too, prospective builders will prefer to put in their own systems and stay in the country.

So rather than see our fine town called at some distant date "Vulcaldy" let's all pull together to co-operate in urging these "hold-outs" to come to their senses and meet the going price.

May we congratulate you on bringing this matter up. Let's have more editorials like them.

We don't know who, the lot owners are and are not noisy enough to bother enquiring. Nothing personal is therefore intended. If they want to see the present rate of sewage and water rates continued and the tall, ugly weeds on their vacant lots, why that's selfishness in its bleakest aspect. If not, let's hear from these owners—are they hoping to build two or three storey apartment buildings? Yours truly, TAXPAYER.

The Editor, Vulcan Advocate, Dear Sir:

On March 9, 1953 in Civil Court in the City of Calgary, the presiding Judge ruled that Police Reports were not admissible in the Courts.

If these Police Reports are not admissible in the Courts, how can the Motor Vehicle Branch use such reports in the suspending of a person's driver's licence.

This practice has been carried on in this Province for some time and I think that an explanation is due from the Attorney-General's Department on the floor of the House.

Come! Come! The Honorable Mr. Maynard. Explain your laws to us, unfortunate, uneducated people who only know a few words such as Liberty! Democracy!

Yours truly, A. A. Kennedy, Calgary.

ST. ALDHELM'S ANGLICAN CHURCH, VULCAN

Rev. J. C. E. Reuss

Sunday, March 22, 1953. Family Service and School, 11. Evening Prayer 7:30 sermon. Out-of-Town Appointments—Emmanuel Church, Carmangay 11. Herrington School 2:30 p.m.

CARD OF THANKS

We wish to thank our friends and neighbors for their many acts of kindness and floral tributes during our recent sad bereavement in the loss of a dear husband and uncle.

—Mrs. Guy Denbigh, Phyllis, Jack and Joyce.

CARD OF THANKS

We wish to thank everyone for their kindness rendered, floral tributes and messages of sympathy in the loss of our loving father and husband.

—Mrs. Ann Sadler and Mrs. Birkenes and family.

CARD OF THANKS

We wish to thank the players of the Vulcan Hockey Club and our many friends for the presentation recently made to us.

—Mr. and Mrs. Harold Boutland.

CARD OF THANKS

I wish to extend my sincere thanks to Dr. Almond, Miss Sissons and her nursing staff for the kindness and attention shown me during my stay in the hospital. Also friends and neighbors for their calls, gifts and cards. They were all deeply appreciated.

—Mrs. Bennett.

MORE THAN 1,000 R.A.F. MEN TRAIN IN CANADA

More than 1,000 Royal Air Force trainees went to Canada in 1952 for pilot and navigator training. The final allocation for 1953 has

not yet been made, but some 177 pilots and 296 navigators are expected to begin their Canadian training before June. The training is financed by Canada under her North Atlantic Treaty Organization obligations.

District News

BRANT

Mr. and Mrs. Darce Olsen of Brant were guests of Mr. and Mrs. Floyd Olsen over the weekend.

The Amateur Films, sponsored by the Scout and Guide Parents' Association were well attended. Garry Kennedy won the 24 lb. sack of flour for guessing the closest number of beans in the jar.

Mr. and Mrs. Ben Ball were Calgary visitors Tuesday.

Ted Olsen is the owner of a new Ford car.

A farewell party was held Friday night for Audrey Walker at the Druhal home. Audrey was presented with a train case from the young people. Best wishes are extended to Audrey and her family who are leaving to make their new home in Oregon, U.S.

Thirteen Red Cross members met Wednesday afternoon in the school. Two quilts were turned in one was made by the Ladies Aid and the other was made by the Red Cross members. Also 26 pair of pants and six sweaters were turned in. These articles and the two quilts were sent to Red Cross headquarters in Calgary.

Jean Olsen presented a report

of the "Divisional meeting held in Calgary.

Allan Fletcher was home for the weekend.

The Red Cross are having a card party in the hall on Wednesday, March 25 at 8 o'clock.

MAJORVILLE

Bob Prentice, who has been transferred from London, Ont., R.C.A.F. station to Claresholm, spent the weekend at his home here.

Mr. and Mrs. Fred Bertschy accompanied by Mrs. Wm. Francis, were dinner guests at the home of Mr. and Mrs. Ralph Oberholzer in Arrowwood last Wednesday.

Of local interest is the birth of a son to Mr. and Mrs. V. Culp (nee Marie Bertschy) of Arrowwood in a Calgary hospital.

Wm. Francis received word from The Dalles, Ore., of the death there on Saturday of his brother Emmitt. Besides his wife in The Dalles he is survived by a brother and sister-in-California; also his stepmother; three stepbrothers; three stepdaughters.

Mr. and Mrs. Strang Fraser and family of Cluny were dinner guests on Sunday of Mr. and Mrs. Bert Clemmons.

In case the neighbors are interested, the names of the new babies in our community are Patricia May Bartsch and Donald Burton Hingley.

Roads in the district have never been so good during the spring thaw and the travelling has been good all winter, so no complaining about the weather.

Boyd - Winch

The Milo United Church was the scene of a lovely afternoon wedding on Saturday, March 14 when Dorothy Elizabeth Winch, eldest daughter of Mr. and Mrs. H. Winch of Majorville was united in marriage with Gordon Boyd, eldest son of Mr. and Mrs. F. Boyd of Armada. Rev. Clark of Vulcan officiated.

The bride, given in marriage by her father, wore a gown of white lace with an insert of nylon net in the front of the skirt. Her finger length veil was held in place with a headress of iridescent net. She wore a triple strand of pearls with earrings to match and carried a bouquet of red roses. As her sister's bridesmaid, Carol Winch wore a rose colored frock of lace and nylon net, made off the shoulder style, with short sleeves. She wore a shoulder veil with floral headress in shades of pink and carried a colonial bouquet of carnations. Velda Boyd and Bonnie Boyd, sisters of the groom, were flower girls. They wore floor-length dresses of nylon net in yellow and pink respectively.

by with a wreath of flowers matching their dresses. They carried bouquets of mixed spring flowers. Elmer Boyd of Lethbridge, cousin of the groom, was best man and the guests were ushered to their seats by Maurice Henrickson of Armada and Gordon Winch of Milo, the bride's cousin. Mrs. N. Budd played the wedding music and the soloist was Mr. E. Kumlin of Vulcan, who sang "Till Walk Beside You" before the service and during the signing of the register "O Promise Me."

A reception followed the church rites in the L.O.O.F. hall where the bride's table was centred by a three-tiered cake set in tulle and flanked by pink tapers and vases of Calla lilies and white carnations. The other tables were decorated with vases of daffodils and purple iris. Mrs. Winch chose for her daughter's wedding a grey dress-maker suit with red accessories

and wore a corsage of white gardenias. Mrs. Boyd wore a grey crepe afternoon dress with black accessories and a corsage of yellow roses. Bob Umscheid proposed the toast to the bride to which the groom very nicely replied. During the reception Mr. Kumlin, accompanied by Mrs. Budd, sang "Because."

For a honeymoon trip to Great Falls, the bride changed to a grey suit with white and black accessories. On their return the young couple will reside on the farm formerly owned by Mr. and Mrs. Roy Allen on the Cluny road.

Guests at the wedding from a distance were Mrs. D. Rittenhouse, Mr. and Mrs. H. Boyd and family of Lethbridge, Mr. and Mrs. Geo. Stowosky and family of Stettler, Mr. and Mrs. Floyd Winch of Calgary.

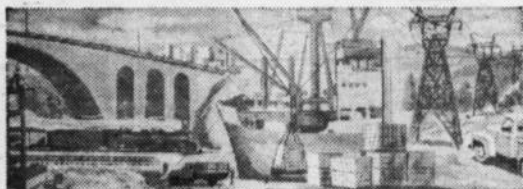

A MONEY MAKER

Every farmer should sow a few acres of clean land to some Registered seed each year. This has been found to be one of the best money-makers for the farmer. The cost is very little.

DESIGNED TO MEET
THE HAULING NEEDS
OF EXPANDING CANADA

Announcing
Completely NEW

"DRIVER ENGINEERED"

'53 MERCURY TRUCKS

NEW "DRIVER-ENGINEERED" CABS

For 1953, Mercury Trucks introduce "built-around-the-driver" Cabs—Custom and Standard. Everything here is new and everything new is here... to make the driver's job easier and safer.

Entirely new "Driver-engineered" Cab interiors feature new smartness—new roominess—new comfortable three-man seat—new all round visibility—new curved instrument panel—new wider doors.

Mercury Truck "Driver-engineered" Cab exteriors look big, they are big—they are engineered to improve overall truck operation—to make Mercury Trucks the best on the road.

OTHER NEW "DRIVER-ENGINEERED" FEATURES
NEW TRANSMISSIONS "SERVICE-ENGINEERED"—Synchro-Silent transmissions are "standard" on all Mercury Trucks for '53! Mercury Trucks also introduce steering column gearshifts on ALL Light Duty Trucks. Automatic Drive or Overdrive are available (at extra cost) on 1953 Mercury Truck Series M-100.
NEW BRAKES "SAFETY-ENGINEERED"—All new self-energizing action, reduces need for extreme pressure.
NEW SPRINGS "STRENGTH-ENGINEERED"—'53 Mercury Trucks introduce new longer, Wide-Span springs. Deflection rate is reduced—all loads are cushioned.

5 GREAT ENGINES
V-8 definitely!

GREATEST LINE OF MERCURY TRUCKS EVER BUILT!

8 great series... 17 wheelbases... 5 V-8 engines... over 100 completely new models from 4000 to 27,000 lbs. G.V.W.

Here they are—the new 1953 Mercury Trucks—introducing a completely new concept of truck design. Mercury Trucks for '53 present new handsome appearance—new time-saving features—new visibility—new conveniences—new power ranges—new models—new wheelbases—and there's completely new comfort and safety with the new—built-around-the-driver—"Driver-engineered" Cabs. Yes, '53 Mercury Trucks have more of everything truck operators need and want.

Completely new '53 Mercury Trucks are "strength-engineered" for durability—have stay-on-the-job stamina. New axles, new transmissions, new "short-turn" chassis design make handling easier and faster.

Mercury Trucks offer FIVE "power-engineered" V-8 engines ranging from 106 Hp. to 155 Hp. ... each teamed with proven "Loadomatic" economy.

Completely new "Driver-engineered" Mercury Trucks are truck-engineered—truck-built to meet the hauling needs of expanding Canada.

BERRYWATER

Mrs. C. L. Oldfield returned Thursday from a two-week holiday spent in Edmonton, where she attended a class reunion at the University of Alberta.

The Nationality Supper, held Friday evening, was a decided success. An enjoyable time was reported by young and old alike. For the entertainment portion of the evening held at Berrywater Community Centre games and cards were played. In "500" prizes were awarded as follows: Lady's high, Mrs. George Fulton; Lady's low, Mrs. Vic Rushfeldt; Gent's high, Allen Sinclair; Gent's low, Vic Rushfeldt. In Canasta: Lady's high, Mrs. Les Richardson; Lady's low, Mrs. W. Oldfield; Gent's high, Johnny Webber; Gent's low, Bob Gerding.

Lynn Oldfield was a business visitor to Calgary last week.

Mr. and Mrs. Tommie Webber of Lethbridge are receiving congratulations on the birth of a son, March 16.

Willis McIntyre was a business visitor to Calgary on Monday.

Pete Hlokkoff of Calgary was a district visitor on Thursday, attending business interests here.

Mr. and Mrs. Les Greaves and family of Majorville were Saturday visitors at the Bill Sharp home.

Everyone please note that the joint meeting of the Berrywater F.U.A. and W.A., to be held at the home of Mr. and Mrs. Archie Oldfield, will be held Wednesday, April 1st, rather than Wednesday, March 25.

Mr. and Mrs. Joe Gerding Jr. and family were Sunday visitors to Fort Macleod.

Mr. and Mrs. Leonard Jones and family were Champion and Carling visitors on Sunday.

Mr. and Mrs. D. B. Smith and Fessel were Tuesday visitors to Calgary.

EASTWAY

Mrs. Helene Brodrick entertained the Eastway Ladies Social Club at her home Thursday,

March 12. The meeting opened with singing and a silent prayer.

Twenty members and three visitors answered roll call with interesting news, songs or stories.

Arrangements were made for the dance to be held at Union Jack hall March 20. The flower show was discussed. It was decided to give donations to the Cancer Fund to Mrs. Laycraft instead of canvassing the district. Special arrangements are being made for the evening of Thursday, April 2. These will be announced in more detail later.

Mrs. Mabel Gooch will be hostess for the next meeting. Roll call is to be answered by each member donating a pencil. Yvonne Hellevang and Mabel Gooch won the raffle and game respectively. Following adjournment the hostess served a delicious supper.

Mr. and Mrs. Jack Deitz of Milo were Sunday dinner guests at the Frank Wyatt home.

Mr. and Mrs. Harold Hellevang and family of Calgary visited with friends and relatives of the district for the weekend.

Mr. Hill Sr. passed away at his home in Victoria, B.C. last week.

Mr. Hill was well known in this district where he was an early settler and had ranches for many years. He leaves one daughter, Mrs. Margaret Shouldice of Calgary, three sons, Robert and William of Vulcan and Frank in the United States, as well as many grandchildren and great grandchildren. The sympathy of the district is extended to the relatives.

The Union Jack district was well represented at the funeral for Frank Lent in Calgary on Monday. The sympathy of the district is sent to his wife and daughter and other relatives. Mr. Lent and his family lived beside the Union Jack school for many years.

Church service at Union Jack hall last Sunday was conducted by Rev. Reus. Rev. Gerald Grayson gave the sermon, which was very much enjoyed by all those present. Several district families attended the Nationality travelling supper at Berrywater last Friday evening. Other families dined at the

Vulcan Anglican Church, where supper was held before Rev. Grayson's address.

Congratulations are extended to Evelyn McMullen for winning a car in the Vulcan high school bonspiel.

Mr. and Mrs. Ed Grondin and family enjoyed the ice carnival in Vulcan on Sunday and were guests of Mr. and Mrs. J. Leon for supper.

Mr. and Mrs. Bird of Blackie were Sunday guests at the Gordon Laycraft home.

KIRKCALDY

Mr. and Mrs. Jim O'Reilly and Bryon motored to Taber on Saturday to spend the weekend at the home of the former's sister.

Mr. and Mrs. Evan Munro and Sharon were Warner visitors on Sunday at the home of Mrs. Munro's parents.

Sunday guests at the home of Mr. and Mrs. Joe Mah were Mr. and Mrs. Albert Brooks and family of Fort Macleod, and Mrs. A. Main of Calgary. Mrs. Main remained here to visit this week at

The local Home and School Association are sponsoring a card party on Friday, March 27 in the school. Lunch will be served.

Mrs. Roberta Davis presented her Ice Revue on Saturday and Sunday in Vulcan. Local skaters taking part were: Lorraine Roebuck, Linda Peters, Michael Brock and Marianne Davis, Joanne Carnegie, Valerie Newsome, Ora Jane Urquhart, Rita Callaghan.

One way and another—from baby bonuses to various types of pensions—two Canadians in every nine are on the Federal government's payroll.

Introducing DRIVERIZED DESIGN

in the COMPLETELY NEW FORD TRUCKS

economy

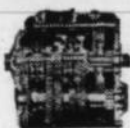

for '53

ALL-NEW
DRIVERIZED
CABS

Finest truck cab on the road... with every feature Driverized to make driving more comfortable—safer—more efficient! New one-piece curved windshield is 55% bigger... new full-width rear window... new larger side windows with sills at arm-rest height. New wider seat—new counter-shock seat snubber! New wider doors! New curved instrument panel! New heating and ventilating system! New interior trims! New rugged hardware throughout! Choice of standard or Deluxe Cabs!

ALL-NEW DRIVERIZED TRANSMISSIONS

Now—the widest choice of transmissions ever offered in any line! New Synchro-Silent Transmissions standard on all models. "Double-clutching" eliminated—"down-shifting" is easier, safer! Choice of 5-speed Direct Drive or Overdrive Transmissions on "Big Job" Series! Choice of five transmissions on Series F-100 including smooth, thrifty Overdrive and Fordomatic Drive!

ALL-NEW DRIVERIZED MANOEUVRABILITY

Ford's new 4-inch shorter wheelbases and new, wider front tread offers greater manoeuvrability, shorter turning on all models—provides easier handling—faster, time-saving operation. With the new front axle location, driver sits in the comfort zone where the riding qualities are finest.

V8 POWERED for PERFORMANCE

Four great V-8 engines, including the two mighty "Cargo King" V-8's for Ford Truck "Big Jobs"... famed for performance and dependable hauling. Truck-built and engineered by the leader in V-8 engines with further advancements for a longer lifetime of low-cost, rugged service. High sustained torque output... big work reserves... traditional Ford thriftiness with Power Pilot Economy in every model to save on every mile.

HERE... now! All-new every way for '53—the greatest Ford Trucks of all time—introducing, for the first time, a completely new idea in truck engineering—DRIVERIZED DESIGN. Now, at last, here are trucks specifically designed and built to increase driver efficiency... to get jobs done faster! With this entirely new principle of design and all-new time-saving features, Ford Trucks take the lead again in providing new hauling economy!

Driverized Design has developed the greatest advance in truck cab comfort... Driverized Design combines shorter wheelbases, wider front tread and new brakes for greater manoeuvrability, shorter turning radius and better control. With Driverized Design, Ford Trucks offer the greatest choice of Synchro-Silent transmissions in any line!

For 1953, Ford Economy Trucks present a greatly expanded line... 8 new Series... 17 wheelbases... with ratings that range from G.V.W.'s of 4,000 lbs. to G.C.W.'s of 55,000 lbs. With over 100 models and a choice of four great V-8 engines, there's a Ford Economy Truck that's right for your job... to save time—cut costs—last longer. See your Ford Truck Dealer!

RABIES

The following is a continuation of the information previously printed in this column dealing with the above subject.

Infected foxes in Alberta have shown the following symptoms: lack of fear of man or beast, have attacked dogs tied up in yards or kennels and attacked livestock in fields and pens. Most of them stagger or are lame and do not move very fast. If such an animal is killed it should be opened up only by a trained person.

There are 2 distinct types of rabies in dogs, known as the furious and the dumb types. Dogs infected with the furious type show symptoms of anger, are easily excited and fretful. As the disease progresses they show an inclination to bite animals, objects or people and show a marked inclination to run off. The dog snaps frequently as if it were catching flies and as a rule will bite any animal that comes within its reach. There is a peculiar change in voice due to a paralysis of the vocal cords. As the disease progresses the muscles of the lower jaw become paralyzed allowing saliva to run from the corners of the mouth. Finally the animal becomes completely paralyzed and death occurs in the 5th or 7th day after the onset of the disease. In rare cases, death may not occur until the 10th day.

Dumb rabies is distinguished from furious rabies by the fact that the nervous symptoms appear early in this type. First, there is a paralysis of the muscles of the lower jaw. The saliva runs out of the opened mouth, and the desire to bite is entirely absent. Death as a rule appears in 2 or 3 days, never over 5. With dumb rabies, the owner often thinks the dog has a bone in its throat. Cats present symptoms like those in the dog, except there is less tendency to wander.

Rabies-infected cattle are restless, excitable, aggressive, though at first these symptoms may be periodic and somewhat indefinite. They stand in one place, raise and lower the head, retract the upper lip, bore with the horns, and show spasms of the muscles of the limbs by sudden jerking movements of the legs. There may be periodic attacks of excitement when they exert every effort to break loose from the stanchion. Between such spells they are apparently normal. In most cases there is a prolonged hoarse bellow. They rub and bite, salivate, and grate the teeth. The digestive symptoms are loss of appetite, suspended chewing of the cud, bloating, inability to swallow, an impaction of the rumen with extreme straining. The bloating and other symptoms of choking have led to suspicion of a foreign body in the throat. Other symptoms are spasms of the neck muscles, and switching the tail. The initial paralysis is in the throat or hind legs, leading to death in the usual time.

In cases of human exposure to rabies, first get a detailed and accurate history of the actions, symptoms and behavior of the animal that did the biting. Without such a history it will be difficult at times to determine whether the animal is rabid and whether antirabic treatment is indicated.

In cases of bite or scratches

from a suspected rabid animal, the family physician should be called promptly.

It is always wise to keep suspected animals alive at least long enough to allow full development of symptoms. Put it in a secure pen or tie it up securely, preferably the former. Give it plenty of food and water. Call your veterinarian who is skilled in the diagnosis of rabies and other animal diseases. For example, the dog may have distemper, acute indigestion, etc. which would make it act queer. If the dog or other animal has rabies, it will show progressive symptoms and die within a few days, usually in 5-8 days. If it is alive and well at the end of 12 days, one can be certain that the animal did not have rabies. If it is necessary to kill the animal do not shoot it through the head as a whole undamaged brain is essential to a satisfactory laboratory examination. Your closest veterinarian, Federal Health of Animals Division Inspector, Forest Ranger, R.C.M.P. or District Agriculturist will arrange for shipment of the head of the suspected animal to a laboratory. Special leak-proof containers and rubber gloves are stationed with the Forest Rangers or the above vets, throughout the province at danger points for shipping specimens. IMPORTANT: A full and detailed report should accompany each specimen submitted to the laboratory.

Anyone who wishes a copy of the bulletin regarding rabies is asked to call at the office of the District Agriculturist.

Better Than Money In the Bank

At the risk of being considered pessimistic, A. M. Wilson, Alberta's Field Crops Commissioner, states that the obvious time to prepare for the future is now, when we have an abundant supply of seed, grain feed and fodder. Even now meteorologists are predicting the weather cycle to be swinging towards a series of drier years. The wise farmer provides for the future with an eye to climatic ups and downs. Never has there been a better time to hold in reserve quantities of seed, grain feed and fodder. These are the basic things which keep a farm producing.

Many farmers will recall the situation a year ago, says Mr. Wilson, when seed grain in almost every part of Alberta was at a premium. Much grain that was planted as seed this spring, even though it had to be bought as seed was not good enough. Yet it had to be planted, because none other was available. The same situation has occurred before. Unhappy results followed when poor seed encountered poor growing conditions, instead of the ideal ones which prevailed this season. With the abundant supply of excellent grain farmers would be well advised to consider holding in reserve sufficient for two or more years. This has been a practice of many farmers in the past. We commend them for their foresight, says Alberta's Field Crops Commissioner, and trust that others will profit by their example.

Mr. Wilson further notes that encouraging landmarks this season are the stacks of hay and piles of baled feed. From this abundant supply any surplus should be safely guarded. Livestockmen must all remember the times when feed

One of the biggest jobs in the Army — and, in fact, in Canada — falls to the ROYAL CANADIAN ORDNANCE CORPS. This Corps has the huge job of obtaining and distributing everything the Army requires from shoe laces to tanks — over 220,000 different items.

As the Canadian Army grows, the job of Ordnance grows. Right now more men are needed — men who can qualify as storemen, clerks, tailors, shoemakers and canvas workers. The Army will train men in any one of the many different trades and skills required by Ordnance. Once trained, the young man who serves in this Corps will find truly outstanding opportunities for promotions.

With general conditions of service, pay and pension plans at an all-time high, there are wonderful prospects for young men in Ordnance. Learn a trade and build an unusual and important career for yourself in the Royal Canadian Ordnance Corps.

You are eligible if you are 17 to 40 years of age, tradesmen to 45, physically fit and able to meet Army test requirements. Applicants should bring birth certificate or other proof of age when reporting for interview.

District News

LOMOND

The Lomond Community Club met Thursday, March 5 at the home of Mrs. S. Cherkas with 12 members and one visitor present. Each member wore a St. Patrick's Day hat with the prize for the nicest one going to Mrs. P. Ost Sr.

Donations to the Red Cross, Salvation Army, Cancer Fund and the Crippled Children's Fund were at the meeting. After the meeting a few games of whist were played, Mrs. Montgomery and Mrs. Caulfield having high scores, and Mrs. C. Ost and Mrs. H. Huff tying for

consolation. The next meeting of this club will be on April 2 at the home of Mrs. F. Stannard.

The Lomond Community Club ladies met on March 6 and enjoyed a two hours of curling at the local Curling Rink, after which Mrs. H. Goldthorpe served them a lovely lunch at her home.

Congratulations are being extended to Mr. and Mrs. Norman Hammer on the birth of a son Larry William, weight 8 lbs. 3 oz. in the Vulcan Hospital on Wednesday, March 4.

Mr. and Mrs. Joe Soper were weekend visitors in Lethbridge. While there they purchased a new home.

Miss Margaret Ruppert has been able to return home after spending a week in the Holy Cross hospital in Calgary.

Mr. and Mrs. Peter Ruppert and family were visitors to Calgary on Sunday. They were accompanied by Miss Lois Chase.

Miss Charlotte Chase was a visitor to Calgary on Monday of this week.

Dr. R. Lynn, the dentist from Lethbridge who spends one or two days a week in Lomond was unable to be here last week due to illness.

Nine members of the Lomond Badminton Club motored to Queenstown on Sunday for a Badminton Tournament with the Queenstown Club. A very enjoyable time was had by all and a very lovely supper served by the ladies of Queenstown. A hearty invitation has been extended to the Queenstown Club to come to Lomond on Sunday, March 22.

Mrs. Roy Janson and son of Calgary are visitors at the home of Mrs. Janson's parents, Mr. and Mrs. Joe Soper.

Mrs. Kay White spent a few days in Calgary on business this week.

Mr. and Mrs. Joe Soper were visitors in Vulcan on Tuesday.

Friends will be pleased to learn that Mrs. R. H. Skeith has returned home from Lethbridge where she spent a few days in Hospital last week.

QUEENSTOWN

A badminton tournament was held in the Queenstown hall on Sunday, March 8. Queenstown vs. Lomond. At 3:30 the first four-some was on the floor. The playing continued till 6 o'clock, then all the members and their families enjoyed a very delicious supper served at the Legion hall. At

Green Cross

**BIG 4 SEED GRAIN
DRESSINGS!**

THE ENEMIES:

Smut, other Seed-borne Diseases, Wireworms—these crop-killers cost you and other grain-growers thousands of dollars every year. This is a needless loss because they can be controlled by proper treatment of seed before it's planted.

THE ANSWER:

the Green Cross Big 4 Seed Grain Dressings—a complete seed treatment program that includes the tested and proven dressings you need to protect your crops from the pests found in your area.

1. MERLANE

the amazing new combination seed disinfectant that controls smut, other seed-borne diseases and wireworms in one operation! Costs less than \$1.10 per acre of wheat, coarse grains, and less than \$1.10 per bushel of corn and beans!

2. SAN

another great new seed disinfectant that controls smut and other seed-borne diseases in wheat, coarse grains and flax! Application cost is less than 5¢ per bushel of wheat and coarse grains and less than 13¢ per bushel of flax!

3. BUNT-NO-MORE

the non-mercurial seed disinfectant that kills bunt (stinking smut) in wheat! Apply it for less than 4¢ per bushel!

4. 50% LINDANE

the proven seed dressing that destroys wireworms attacking cereal crops. Costs less than 95¢ per acre!

If you prefer a liquid seed dressing
order Green Cross UQUI-SAN, PMA Solution

**World's
newest
V8**

with a million miles behind it

HERE, in literal fact, is the most advanced V8 engine ever placed in a standard-production automobile.

It is the first such V8 to reach an 8.5 to 1 compression ratio, and the first with a dynamic flow muffler that cuts power loss to zero.

It is the first V8 to utilize vertical valves together with a 12-volt electrical system instead of the usual 6. It is also the first designed with new "T" type intake manifold to replace the "Y" type conventionally used in V8s.

It is, quite simply, the first V8 Fireball Engine—the engine that brings electrifying performance to the greatest Buicks in fifty great years—the engine that powers the 1953 Buick Roadmaster with 188 hp, and the 1953 Buick Super with up to 170.

Naturally, this spectacular new V8 has been proved—by eight years of developing, testing, improving, perfecting—and more than a million miles of driving through desert, mountains, cities and plains. Only then did Buick engineers mark it: Released for production.

But these hard-to-please engineers gave these Golden Anniversary Buicks far more than new power.

They gave them, too, a still finer ride, more superb comfort, new braking power and handling ease—and a sensational new Twin-Turbine Dynaflo Drive* that adds new quiet and whip-fast getaway to absolute smoothness.

Nothing, we believe, will do more justice to your automobile dollars—or to your love of magnificent motoring—than a visit to us right now.

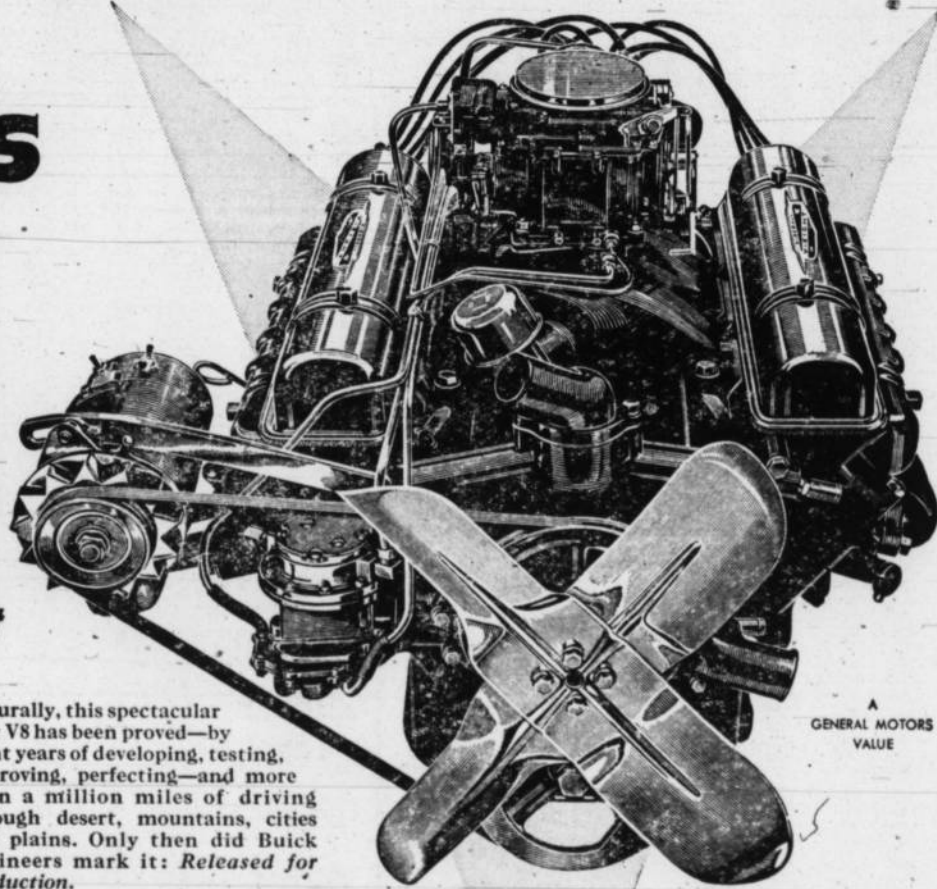

*Standard on Roadmaster, optional at extra cost on other Series

Mr. and Mrs. Roy Church spent several days in Calgary visiting relatives.

Miss Ethel Underdall from Taber was a weekend visitor at the home of Mr. and Mrs. Jim Koreth.

Mr. and Mrs. Arthur Baldwin and family motored to Calgary on Thursday and attended the General Electric Display of the latest appliances.

Mr. and Mrs. Ken Bjornson and family were visitors in Calgary for a few days.

Ken Bjornson and Bill Truesdale completed their night flying course on Friday night in Calgary.

Verna Baldwin was a guest at the home of Mr. and Mrs. Ken Bjornson for a few days last week.

Mrs. June Burke is a patient in the Lethbridge hospital where she has undergone an operation.

Come and support your community program on Friday night, March 20.

Charles Stettner of Calgary spent the weekend at the home of his father, Carl Stettner.

Mr. and Mrs. Clarence White and sons of Nanton were guests at the home of Mr. and Mrs. John Hauser.

Frank Hauser, accompanied by Miss Theresa Hauser and Miss F. Freil of Lethbridge, motored to Vancouver for a short holiday.

Mr. and Mrs. Gilbert McGinnis, Mr. and Mrs. Dale Clark, Mr. and Mrs. Don Bond, Mr. and Mrs. Melville McLeod and Mr. and Mrs. G. H. Nelson attended the two playoff hockey games in Lethbridge between Edmonton and Lethbridge.

Aksell Wennes, who spent the last three weeks in St. Michael's Hospital, Lethbridge, is now convalescing at his home. We wish him a speedy recovery.

Mr. and Mrs. Ed Watwood were Calgary visitors last weekend.

Mr. and Mrs. Harvey Robertson of Wayne, Alta. spent the week with their parents.

L. A. Society.

Regular monthly meeting of the L. A. S. was held on March 10 at the home of Mrs. Helen Hubka.

Six members and Father Label were present. Plans for St. Patrick Tea and Bake Sale were completed. President Helen Hubka extended to Father Label the sympathy of the society. Father Label's brother passed away a short time ago. A mass card was given to him. It was moved and seconded that a note of thanks be sent to Mrs. B. M. Hubka of Claresholm for her kind donation to the church fund. Mrs. Rosella Hubka told the members of the opportunity we had of serving lunch at the sale on the John Hedin farm on March 25. The ladies were all in favor, so definite items for the lunch were decided upon.

Father Label thanked the ladies for the expressions of sympathy. He stated they were very interested in their church work and complimented the ladies on the program.

PUBLISHED WEEKLY BY YOUR METEOR-MERCURY-LINCOLN DEALER

Vol. 1, No. 3.

Subscription Price: Just Your Reader Attention and Interest

Well, we finally dealt off that '28 Nash out at the back. Yep! Things are looking up around here. 'Course we really didn't get any money for it but the fellow did kick in with a couple dozen pullet eggs and two sets of old horse harness for it. True, the horse harness is kind of worn but, just between you and me, that '28 Nash was "worn" back in the days when R. B. was still P.M. So all in all we don't think we made a bad deal. On top of that the fellow says he will be back in the fall to trade it in on a new Merc. (At which time he promises he won't want more than \$700 for it.)

If all this gives you the idea that we are pretty easy to deal with around here—well, you're right. Boy! We'll take buttons for billiard balls—Come on in and see us—The biggest cash allowance in town for your trade in—the cheapest used cars anywhere.

A little boy was asked by his father, a well-known industrialist, what he wanted for his birthday.

"A baby brother," replied the boy. "But it's only two weeks until your birthday," objected the father. "And that doesn't give me enough time."

"I know," said the boy. "But couldn't you put more men on the job?"

OUR NEW TRUCK INTRODUCTION DATE IS MARCH 20. Our completely new, completely redesigned truck will sweep the market this year. Be sure to order yours early.

75-year-old: "When I die I'd like to do it in a car crash doing 80 miles an hour."

85-year-old: "I'd like my finish in a 430-m. p.h. plane."

95-year-old: "I'd like to be shot, by a jealous husband."

Master Merit Award Is Won By Local Man

Mr. E. D. Nowlin of the Alberta Pacific Grain Company (1943) Limited at Champion, Alta., has gained the distinct honor of being numbered amongst those who have won the Elevator Master Merit Certificate. This is an award given by the Grain Insurance and Guarantee Company in recognition of outstanding proficiency in the maintenance of grain elevator premises. To earn this, an elevator agent must have a perfect record for a period of ten consecutive years.

Inspections of all plants insured by Grain Insurance and Guarantee Company are carried out by the Affiliated Inspection Bureau Limited. This organization for the past twenty years has majored in the inspection of Grain Elevators, Flour and Feed Mills, etc., and its service is acknowledged as being rigid and exacting. Winning the award is therefore recognized as a definite achievement by the grain trade generally.

Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor
What a thrill! Body limits fill out; ugly hollows fill up; body loses its sickly, "bean-pole" look. Thousands praise Oxyt, weight-building tonic. ENTIRELY NEW Through and Through

Illustrated—Chevrolet "Two-Ten" 4-Door Sedan

—WITH MORE GREAT IMPROVEMENTS THAN ANY OTHER LOW-PRICED CAR!

Entirely New in Appearance with . . . New Fashion-First Bodies by Fisher. Here are more new models (16 of them!) . . . more beautiful and more comfortable bodies (take a look and a ride!) . . . and more color-choices (22 dazzling single-tone and two-tone combinations!) . . . than ever before in Chevrolet's history! And, in addition, Chevrolet's entirely new Fashion-First Bodies by Fisher bring you even richer and roomier color-matched interiors and ever sturdier Unisteel construction, for your greater safety-protection!

Entirely New Durability. New, stronger, more rigid construction imparts even greater durability and dependability to a car long famous for these qualities.

Entirely New in Performance with . . . New 115-h.p. "Blue-Flame" Valve-in-Head engine.* Chevrolet offers this powerful, gas-saving high-compression engine in all Powerglide models, together with the Economizer rear axle; and a new 108-h.p. "Thrill-King" Valve-in-Head engine in all standard gearshift models.

New Power — New Acceleration — New Passing Ability. You'll find that the new Chevrolets, with either of these two great new engines, bring you more power, increased acceleration and greater passing-ability, as well as sensational new economy.

New, Even Finer Powerglide Automatic Transmission*. Chevrolet's famed Powerglide Automatic Transmission, coupled with the new 115-h.p. engine and Economizer rear axle, gives even finer, fleetier no-shift driving at lowest cost.

New Extra-Easy Power Steering. Greatest advance in driver comfort since the introduction of automatic transmission. Gives finger-tip steering-ease and parking-ease . . . reduces driver fatigue. (Optional on all Powerglide-equipped models at extra cost.)

Entirely New in Convenience with . . . New Center-Fold Front Seat Backs (in 2-door models) for easier entrance and exit; New Master-Key Control with combination starting and ignition key switch;

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

New Automatic Choke on all models; and new larger rear-deck opening for easier loading and unloading.

Entirely New in Comfort with . . . New Curved One-Piece Windshield. New Crank-type Regulators for Ventipanes. New Foot-Form Clutch and Brake Pedals. And the softer, smoother Knee-Action Ride.

Entirely New in Safety with . . . New Finger-Fit Steering Wheel. Improved Velvet-Pressure Jumbo-Drum Brakes. Shade-Lite Tinted Glass (optional at extra cost). And Safety Glass in windshield and all windows of sedans and coupes.

Entirely New in Economy, too . . . Yes, all new Chevrolets for 1953 bring you more miles per gallon of gas — more over-all economy of operation — and, in addition, they're the lowest-priced line in their field! Come in — see and drive this great new car at your earliest convenience — and you'll know it's the car for you.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost. (Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Milo News

Now wasn't that a beautiful eulogy of spring that appeared in the last week's column? Better that it should be called an epitaph than a eulogy. No sooner was that in the mail than the wind switched to the north west or north east or some such onery direction and the snow started to fall and the temperature started to drop. Well this week there shall appear no praise of weather and maybe the opposite effect can be accomplished.

Boy oh boy, did the women ever show up the men at the Calgary bonspiels. Now when it came time for the men to enter the bonspiel in the city, no less than six teams bent their aid in bringing back at least one prize to the little community from which they came. But what happens? Even though Milo had more teams entered than any other town except Calgary itself, no prizes were in evidence when our stalwart curlers returned. Then came the time for the women to be represented for the first time on Calgary ice. Only one team went to the city but they accomplished what the six men's teams had not been able to do. They brought back a prize and while it was not first prize at least they do have something to show for their efforts. June Beckner, Marj Hellewang, Polly Robertson and Florence Bushell comprised the team and they won third prize in the Ontario Laundry event. Congratulations to them. Now there is even talk of an entry from here going to the mixed spiel in Calgary at the end of the month. Where is this going to end?

Mr. and Mrs. Floyd Armstrong, Mr. and Mrs. Lloyd Armstrong, Misses Frances and Dorothy Clements left Saturday night for Toronto. They went on the train to Cluny and plan on driving back two new cars purchased by the Armstrong boys. Seems as if some enterprising man in Milo had better get himself a G.M.C. agency and go into business to take care of the demands for Chevys. That have become so prominent lately. Or is it just that far fields look greener or that cars that you can't buy locally look better.

There have been a number of illnesses in this district. Joe Thomson Sr. was confined to his bed for several days with the flu. Mrs. Carruthers is again in the Vulcan hospital as is Vi Carson who was taken over last weekend. Mrs. Frank Jones is in the hospital in Calgary where she underwent an operation for the removal of a cancer. A very speedy recovery is wished for all of the above mentioned.

Mr. and Mrs. Ray Beckner are moving to the Harry Roebuck farm west of Kirkcaldy where Mr. Beckner is to be employed for the coming months.

Wedding bells certainly rang in this community this week as two weddings took place, one formal and one informal. Congratulations are extended to Dorothy Winch and Gordon Boyd who were married in the United Church on Saturday and to Agnes Engen and Leonard Morseth who were married in Vulcan on Friday. An account of the Winch-Boyd wedding will be left to the Majorville correspondent and the Morseth-Engen write-up is printed elsewhere in this issue.

Mr. and Mrs. Bill Beckner took a motor trip last week which carried them into the States for a short holiday and shopping spree.

It seems as if the construction companies think that spring can't be too far away as some of the men and equipment are back on the ditch again.

Congratulations are extended to Mr. and Mrs. Wayne Monner on the birth of a daughter, Gwen Janet, born in the General hospital on March 10.

The regular meeting of the Home and School was held last week. It was reported that during the drive for funds that was held recently almost \$600 was donated. While this was a very worthwhile return it is still not enough to make possible the purchase of all the necessary furniture. Because of this, the Home and School is holding a whist drive in the school on Saturday evening to raise more funds. Everyone is invited and it is hoped that there will be a good turnout. With funds already collected, the snack bar has been completely outfitted. A new electric stove has been purchased and china and stainless steel flatware to accommodate one hundred people is now installed. Some of the furniture for the teachers lounge has been ordered. The students union is certainly doing its share in putting the finishing touches to the new building. The students have concentrated on the main foyer where, on their own time, they are building window boxes for ornamental plants. They have also bought different plants and ferns to adorn the foyer and hall, and drapes to

finish off the windows. They have bought a complete badminton set and organized a club which plays several times a week. Another purchase is a record player for school use. With help and support like that from the students and young people it should inspire the adults to get behind whatever project might be started and push hard. Plans are going ahead for the grand opening which is hoped can be held next month. A turnout of about 500 people is expected so let's not disappoint them.

The regular meeting of the Lutheran Ladies Aid was held at the home of Mrs. Morseth Sr. last Wednesday. There was a good attendance of members and plans were made for catering at the wedding reception of Dorothy Winch and Gordon Boyd. The reception was comprised of a turkey dinner for 93 guests.

In spite of adverse weather conditions, the final bonspiel of the year was completed on Milo ice last week. It was a mixed spiel and the final results were as follows: first in the first event was won by Sonny Vanneta; second, Jack Dietz; third, Cop Peterson, fourth, Tom Beckner. First in the second event was won by Jimmy Prontice; second, Roy McIntyre; third, Harold Phillips, fourth Glen Dishaw. This should surely end the curling for one year.

Mrs. Sid Page was given a ra-

ther-bad scare last week when she opened one of the doors in her basement and out came a large furry animal. Her first thought was that it was a rat that had dropped off one of the box cars that pass so close to the house. She immediately phoned her husband in town and had him hurry home. When he got there he found Mrs. Page sitting on the basement steps blasting away at the animal with a .22 rifle. Mr. Page discovered that while it was not one of the filthy rats which we are in such dread of having invade our province, it was a muskrat. It must have gotten in through the opening used to let in water to fill the cistern.

Mrs. Laura Sutherland is so far the only one that we have heard of from this community that is planning on going overseas and attending the coronation. We think it is wonderful and hope that she has a grand time and gets a good look at the new queen.

When the quarantine on dogs went on all over the province there went with it a decree that any dog not tied up or otherwise confined was to be destroyed. It seems that there are a number of dogs around Milo that do not belong to anyone or at least no one wants to claim them. They are therefore to be destroyed. Now the only trouble is, no one can be found who will do the foul deed.

But the law is the law so something will have to be done. Make new friends, But keep the old. The former silver, The latter gold.

District News

RED CROSS

The Red Cross Community Club held a meeting at the home of Mr. and Mrs. B. Methers last Friday evening with C. Dunham being elected president; Neil Giles secretary-treasurer; Alvin Jacobson, Mrs. Methers and Mrs. Marcella Steiner being the directors. Ivan Stager is visiting with his brother Clarence for a week.

Mrs. George Todd spent a few days in Calgary last week visiting Mrs. Marmichael who is 96 years of age.

Mr. and Mrs. Alvin Jacobson, George Fulton and Howard Burrell attended the H. B. Macleod sale at High River on the 11th.

A. Giles left for Calgary on Monday to resume his treatments and to attend the Bull Sale.

B. Methers and Glenn McLennan were Calgary visitors on Tuesday.

Mr. and Mrs. Vic Fulton and Mr. and Mrs. Ed Richardson attended the hockey game in Calgary on Tuesday evening.

Fred Mensinger, Alvin Jacobson, Reinhold Lundgren and Alvie Fulton are curlers at Macleod this week.

Mr. and Mrs. Lawrence Ell of Grass Lake spent a few days at the home of Mr. and Mrs. Alvin Jacobson.

Mrs. George Fulton and Ronnie Dunham were Calgary visitors last Thursday.

Mrs. Alvin Jacobson and Clara motored to Calgary on Saturday to spend a few days with relatives.

Mr. and Mrs. Reg Stein, accompanied by Mr. and Mrs. Wesley Fulton were Calgary visitors last Wednesday when Reg remained a few days to undergo an operation. He then returned home on Saturday.

Mr. and Mrs. M. Beckmel of Herenton were recent visitors at the A. Fulton home.

Mr. and Mrs. Ralph Stager of Creston, B.C. spent a few days with the former's brother, Ivan. They attended the funeral of their aunt, Mrs. Flett of Calgary, on Friday.

The regular meeting of the Ladies' Sunshine Club was held at the home of Mrs. E. Rushfeldt on March 12 with sixteen members present.

Lot call was answered with my pet superstition. Donations of \$10 to the Vulcan Library, \$15 to the Canadian Cancer Society and \$100 to the Red Cross Community Club for improvement of the school were voted.

The Club will be serving lunch at the Norman Love and John Hanna sales. Helma Sharpe displayed a doll dressed in milk tins, which was loaned to the Club for a demonstration. Tea raffle was won by little Happy Love.

The next meeting will be held at the home of Mrs. C. Dunham on April 5.

MOSSLEIGH

The Mossleigh Home and School Association held their regular meeting on March 11. After a brief business meeting at which Miss Thomson's room won the attendance prize, Mr. Buffam turned the meeting over to Miss Thomson and Miss Fath. Grades 1

and 2 presented an enjoyable program and display of their enterprise work. Then Grades 5 and 6 told of their work in the enterprise on Alberta and showed their work. After this Mr. Buffam showed films in the basement and lunch was served by Mrs. Harold, Mrs. Brown and Mrs. J. Christie.

ENSIGN

Mr. and Mrs. Herb Fisher and Laurie were weekend visitors at the home of the latter's parents, Mr. and Mrs. E. Thorp.

Mr. and Mrs. W. Collison and family left on Monday last for Claresholm where they will make their new home. Mr. Collison taking the position of Pool Elevator Agent at that point.

The Collisons have been in the district for 17 years and will be missed by their many friends. Best wishes go along with them to their new home.

Mr. and Mrs. Knight of Whiskey Gap have taken up residence here where Mr. Knight will take over the Pool Agencies.

Calgary visitors the past week were Mr. and Mrs. C. Mote, Mr. and Mrs. E. Hansen, Mr. and Mrs. N. Hansen, Mr. and Mrs. B. Brown, Mr. and Mrs. B. Turley, Mrs. Jack McFadden and Mrs. E. Thorp.

Eric Thorp is attending the Spring Bull Sale this week where he has entered three Hereford Bulls.

All the little girls in school attended the 8th birthday party of Lynn Mooney on Friday night.

Mr. and Mrs. H. Brown of Okotoks were Sunday visitors at the Flebotte home.

Brief Items of Local Interest

Mr. and Mrs. Don Clemmons and little Brenda of Calgary have been guests at the Charles Northcott home for the past week, and while here renewed many acquaintances.

Sunday dinner guests at the Wm. Peters home were Mrs. Johnny Roebuck and children and Mr. and Mrs. Harry Peters.

Mrs. Opal Drummond and Mrs. Bob Fitzpatrick of Calgary were weekend guests at the Burnell Drummond home.

Among those who attended the Rebekah Assembly at Lethbridge last week were Mrs. Lillian Lancaster, who represented Cloverleaf Lodge, and Mr. and Mrs. Peter Bowie. Mr. E. G. McPherson and Mr. N. Soder accompanied by their wives were also Lethbridge visitors where Mr. Soder and Mr. McPherson attended Grand Lodge.

Miss Joan Thomas, who is attending school at Red Deer this term, accompanied by her guest, Miss Dell Morkeberg, spent the long weekend at the home of the former's parents, Mr. and Mrs. Del Thomas.

The ladies of St. Aldhelm's Guild will hold a tea and fashion show in the Legion hall on Saturday, March 21, from 3 to 5 p.m.

An invitation is extended to all interested to take part in a coyote drive in the Alston district on Sunday, March 22, meeting at the Alston hall at 11 a.m. Shotguns only.

Miss Jeanette Schrigley of Lethbridge spent the weekend at the home of her parents, Mr. and Mrs. W. A. Schrigley.

Mr. and Mrs. Lorne Gillett are being congratulated on the birth of a daughter, Saturday, March 14, at the local hospital. Mrs. Gillett was before her marriage Miss Monna Middleton.

Mr. and Mrs. R. J. Buehler spent several days in Calgary last week.

Jerry LaRoche and David and Donald Mitchell, all students at Red Deer this winter, spent Saturday and Sunday at their respective homes.

Mrs. D. D. McQueen was a Calgary visitor for two days this week.

Miss Ruth Nicol, who is in training to become a nurse, spent the weekend at the home of her parents, Dr. and Mrs. Dave Nicol.

Mrs. Norman McLeod of Pennington, Sask. is a visitor at the home of her sister, Mrs. Mike Orchard.

Mr. and Mrs. James Chapman were Lethbridge visitors last week.

Mr. and Mrs. Gordon Gardiner and family spent the weekend at Red Deer.

Mr. and Mrs. C. Fleming left Saturday for a short holiday at the west coast.

Mr. and Mrs. J. P. O'Connell and Dennis spent Sunday with relatives at Lethbridge.

Dr. Rogers, medical director of Civil Defence for Alberta, and Miss Kramer, nurse consultant, will be at the Legion Hall at 8 p.m., Wednesday, March 25, to discuss medical and nursing problems from a Civil Defence standpoint. The attendance of every nurse in the district is urgently requested.

Mrs. L. Ritland was a Calgary business visitor the first of the week.

Mervin Brooks who is attending school in Calgary this winter, spent the weekend at his home here.

Miss Barbara Hagel spent the weekend at Warner.

Miss Delores Ritland, J. D. Jones and Elvie Sizer all of Calgary were weekend visitors at the L. Ritland home.

Sunday guests at the Seno Degenstein home were Mr. and Mrs. Andrew Schatz, Bow Island, and Mr. and Mrs. August Degenstein and family of Champion.

Mrs. Bob Porter, who has been visiting with her mother, Mrs. Maude Hyslop, left by plane Tuesday for Victoria, where she will join her husband. After five weeks spent at the coast, the couple will leave for Churchill, Man. where they will live for the next two years.

Johnny Hunter and Bobbie Clark, who have been visiting at their respective homes for the past week, left Wednesday for Edmonton, from where they will go to oil fields in the north, for summer employment.

Congratulations are being offered Mr. and Mrs. J. L. Findlay on the birth of a son, Saturday, March 14, at the local hospital.

The annual general meeting of the Vulcan Skating Club will be held in the clubroom of the curling rink on Monday, March 23 at 8 p.m. All interested in the activities of the club are invited to attend.

Friends will be pleased to know that Mr. and Mrs. John Grant received a cable on Sunday informing them that their son-in-law and daughter, Sgt. and Mrs. Bob Martin, arrived safely at Southampton on Saturday, March 14. They sailed from Halifax aboard the "Scythia" on March 6.

Miss Ruth Alice Deans of Calgary was a weekend visitor with her parents, Mr. and Mrs. Jack Deans.

Master Merit Award

Is Won
By Local Man

Mr. K. C. Witt of the National Grain Company Limited at Vulcan, Alta., has gained the distinct honor of being numbered amongst those who have won the Elevator Master Merit Certificate. This is an award given by the Grain Insurance and Guarantee Company in recognition of outstanding proficiency in the maintenance of grain elevator premises. To earn this, an elevator agent must have a perfect record for a period of ten consecutive years.

Inspections of all plants insured by Grain Insurance and Guarantee Company are carried out by the Affiliated Inspection Bureau Limited. This organization for the past twenty years has majored in the inspection of Grain Elevators, Flour and Feed Mills, etc., and its service is acknowledged as being rigid and exacting. Winning the award is therefore recognized as a definite achievement by the grain trade generally.
